CLERK: 35 ayes, 0 nays, Madam President, on adoption of the second component of the committee amendments.

PRESIDENT ROBAK: Second division is adopted.

CLERK: Madam President, the third component, consisting of Sections 11, 12, 13, 14, and 15 of the original committee amendments. (FA497)

PRESIDENT ROBAK: Is there any discussion? Seeing none, Senator Bromm to close.

SENATOR BROMM: Thank you, Madam Lieutenant Governor. This section deals with the requirement in a federal law that we have to have before October 1 of 1998 a provision in our law which makes a minor driving with .02 or greater, .02 to .099 in their blood a primary offense instead of a secondary offense. And so this is, in our view, a must do provision to avoid the loss of, again, several million dollars of federal funds. Be glad to discuss this further on Select File. That's the essence of this section.

PRESIDENT ROBAK: Thank you, Senator Bromm. The question before the body is the adoption of the third division of the committee amendments. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK: 37 ayes, 0 nays, Madam President, on adoption of that component of the committee amendments.

PRESIDENT ROBAK: The third division is adopted.

CLERK: Madam President, the fourth component, consisting of Sections 10, 16, 17, 18, 19, 20, 21, 22, and 23. (FA498) Senator Will, you had an amendment to this component, Senator, I have a note you want to withdraw?
